

## Taproot Homework Helper- EXAMPLE

This form of training helps us concentrate our learning while not over focusing on a specific goal.

## Set Up:

1. Place the most important training skill in number HEEL

2. Place two of the second most important training skills in number DOWN

SIT

3. Place two of the third most important training skills in number 3

## Recording:

- 1. Starting at 1 practice that training skill with 10 treats
- 2. Next, move to either of the number 2 and practice that skill with 10 treats
- 3. Next, go back to 1 and repeat the training with 10 treats
- 4. The order continues with 2, 1, 3, 1, 3, 1

3	2	1	2	3
